

**2024 IEEE INTERNATIONAL CONFERENCE ON AI IN  
SCIENCE, ENGINEERING, AND TECHNOLOGY**

# **AIXSET 2024**

**September 30 - October 2, 2024**

**Laguna Hills, California, USA**

## **Call For Papers, Posters, and Workshops!**

AI x Science, Engineering, and Technology 2024 (AIXSET 2024) is an international forum focusing on the interactions between artificial intelligence (AI) and science, engineering, and technology research disciplines. It consists of themes that each address the applications of AI to a specific research discipline as well as how domain-specific applications may advance the research on AI.

The conference proceedings will be published by IEEE and submitted to the IEEE Xplore®.

Distinguished quality papers presented at the conference will be selected for the best paper/poster awards and for publication in internationally renowned journals (SCI, EI, and/or Scopus indexed).
